OVERVIEW

A 17th Century, Grade II listed cottage, which together with the Old Kings Head Cottage next door was originally a cruck-built longhouse. Two pairs of the crucks still survive in the cottage. In recent years the cottage has been tastefully refurbished retaining the beams and the pair of crucks. The cottage has full central heating with two double bedrooms and a bathroom upstairs, along with a downstairs shower room. The rear of the cottage adjoins the attractive grounds of the parish church, set in the heart of the market town of Pickering. Sorry no pets in this cottage.

DIRECTIONS

SAT NAV POSTCODE; YO18 7EL 41 OUTGANG ROAD, THIS BRINGS YOU INTO THE CAR PARK ENTRANCE TO THE MAIN COMPLEX.

From the South: take the A1 or M1 north until you reach the A64. If you are using the M1 then after the M62 junction you will pick up the new M1 link road that connects to the A1 just before the A64 junction.

From the West: get off the M62 at the M1 intersection and head towards Leeds. Immediately pick up the new A1 link road that will take you to the A64.

Follow the signs to York taking the slip road off the A1 to the A64 (York).

Continue on the A64 York ring road toward Scarborough. It's about 40 minutes drive from the A1 to the Pickering turn off. (traffic permitting). Turn off the A64 at the A169 junction signposted Pickering and follow the road for about 6 miles.

As you enter Pickering you will see two petrol stations at either side of the road, turn immediately right after the SPAR garage into Outgang Road. Travel about 200 yards down Outgang Road, our signed entrance is on the left hand side, immediately after the black and white house.

From the North or North West: there are a variety of routes but the main one is probably through Thirsk, up Sutton Bank (which is very steep) and on through Helmsley (A170). It is not the fastest route in the world but it is very pretty with plenty of interesting places to break the journey. This brings you into the east of Pickering. At the Whitby roundabout you will see the Forest and Vale Hotel on your right, take the third exit towards Malton. You will then see two petrol stations, turn left before the SPAR garage into Outgang Road. Travel about 200 yards down Outgang Road, our signed entrance is on the left hand side, immediately after the black and white house.

From Scarborough: Following signs for Pickering, through Thornton-le-dale (good ice cream shop on the right hand side) and continue on towards Pickering. As you come into Pickering you will pass the Industrial estate on the left and then 200 yards after that turn left and then immediately right onto Outgang Road. Be careful; when you turn left you must give way before turning right! Travel about 500 yards down Outgang Road, our signed entrance is on the right hand side, immediately before the black and white house.

Eastgate Cottages: We are usually in the site office which is on the left, halfway up the courtyard (or you might find us in the garden if it's a nice day). If we do not hear your car arrive then knock on the office door and walk-in to reception.

For those of you with Satellite navigation our address is; 117 Eastgate, Pickering, YO18 7DW but that will take you round the front of the complex and you will need to then navigate to 41 Outgang Road, Pickering YO18 7EL.

Arrival Time: Cottages are normally available from 2pm, sometimes they are ready earlier but we can't guarantee it. (short breaks cottages normally available for 1pm) If you are planning to arrive early then let us know and we will give priority to servicing the cottage. Similarly if you plan to arrive after 4pm please let us know.
