HOLIDAY COTTAGES BASED IN PICKERING

We are a small privately owned holiday cottage business based in Pickering. Our emphasis is on quality, service and a real home from home feel.

Nothing is too much trouble for us and we will do our best to ensure your stay with us is as enjoyable as possible.

62% of our customers are repeat and another 11% are recommendations. We think that says everything about us.

Pickering is a small market town and the perfect location for exploring the Moors, coast and the many historic properties in the area. Fantastic for walkers, cyclists and outdoor pursuit enthusiasts as well as, steam train enthusiasts, and bird watchers.

The cottages are all very individual, many are character grade II listed properties. Almost all have en suite facilities, ideal for couples and many have log fires perfect for winter breaks. Many cottages welcome pets and several are all on one level for those with reduced mobility. The cottages individually sleep 2-7.
